## PRELIMINARY AMENDMENT

Commissioner for Patents Washington, D.C. 20231

Dear Sir:

Prior to examination of this application on the merits, please enter the following amendments and remarks.

## IN THE SPECIFICATION

Please make the following amendments to the specification:

On page 10, please replace the second full paragraph (II. 13-17) with:

--The location information disclosure flag is set on for the IP server 500 to which the location information of the mobile station 101 is disclosed (i.e. the IP server 500 capable of acquiring the location information of the mobile station 101).--

Please replace the paragraph beginning on line 22 of page 10 and concluding on line 4 of page 11 with:

--The wide area information is defined as the information having the same contents regardless of the location where the party receiving the information is located,
